The KW Sertoma Speed Skating Club was formed in 1963 by a group of interested families. It remains a family-oriented club with skaters of all ages, including Special Olympic Athletes. On-ice instruction is tailored to groups of different ages & abilities; young children, youth, and adults of all ages are welcome. Some skaters follow the more competitive stream, and some are interested in the fitness & social aspects of the sport. Our team of dedicated volunteer coaches develop a program tailored to suit each skater. Our NCCP coaches receive ongoing training from the Ontario Speed Skating Association, as well as other training programs. Our competitive skaters, the KW Cobras, participate in many meets run by Ontario clubs, and beyond. We have Short Track, Long Track, and Marathon skaters. Some competitive skaters qualify to go to Provincial & National Championships, as well as the Ontario & Canada Winter Games.

The KW Sertoma Speed Skating Club gratefully acknowledges support from all of the following generous organizations:

- KW Sertoma Club
- Trillium Foundation of Ontario
- City of Waterloo
- City of Kitchener
